Our April 5th Lunch-n-Learn Speaker

Grant Goodale

Co-Founder & Chief Technology Officer

Convoy

Grant Goodale is the co-founder and Chief Technology Officer of Convoy, a Seattle startup that is transforming the \$800B trucking industry. Convoy is advancing the industry by providing innovative trucking services and technology to shippers of all sizes, increasing available capacity and improving visibility and on-time performance. Trucking companies everywhere use Convoy for carrier-friendly service and relevant work that reduces empty miles. Convoy backers include Greylock Partners and the founders/CEOs of Starbucks, Salesforce, Expedia, Amazon, eBay, Instagram, DropBox, and more. **Convoy is one of the fastest growing businesses in the country.**

Grant has almost 20 years of experience in startups, at companies including FastForward Networks (acquired by Inktomi), Reactivity (acquired by Cisco), Context Optional (acquired by Adobe). He holds a Masters in CS from Cornell and a BA from USC.
